

Improve Transparency

AgendaTRAC enables civic governments to quickly organize, store, search, print and publish key documents such as agenda packets, minutes, ordinances, correspondence, and link to video on demand internally or externally to your website.

BENEFITS INCLUDE:

- Google like search capabilities
- Constituents can download documents for printing
- All documents are full-text searchable
- Save extensive printing costs for agenda packets
- Documents can be uploaded and added quickly
- YouTube video integration can be displayed for meetings and PSA's
- Unlimited users

- Confidential information can be managed with logon security for Councilors and board members as needed.

“Surprisingly affordable pricing based on the number of meetings”
For \$20.00 per meeting including 3GB of Storage
